

Each year schools, governments, workplaces, religious and other organizations all across the country host observances and remembrance activities for their communities. For many years, the Burbank Human Relations Council has partnered with local temples and churches and presented the Days of Remembrance program, a Community Commemoration of the Holocaust to the Burbank community. In addition, the council has provided an array of Holocaust teaching materials to Burbank's middle and high schools, including films, speakers and books, educating students about tolerance, inclusiveness and compassion. This year alone, over 2,500 students have been given an invaluable lesson in this living history.

There are few periods of time in humankind's history that are more appalling and sinister than the Holocaust. We must always recognize the Days of Remembrance, paying tribute to those who perished and those who courageously tried to save Jewish lives, and ensure that a tragedy of this nature will never happen again.

I ask all Members to join me in acknowledging the Days of Remembrance commemoration, and in particular, the Burbank Human Relations Council's program.

##### HON. TERRI A. SEWELL

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 27, 2016

Ms. SEWELL of Alabama. Mr. Speaker, on Wednesday afternoon, April 27, 2016, I was required to be in my congressional district in Fairfield, Alabama in order to attend a memorial service for Mrs. Gladys Coleman. Mrs. Gladys Coleman was one of the founding members of the Fairfield Democratic Women. She served as president of the Fairfield Democratic Women, and a member of the Jefferson County (AL) and State Democratic Executive Committees. In April 2015, she was one of seven honorees inducted into the Alabama Democratic Party Hall of Fame. Mrs. Coleman was the first black member appointed to the Fairfield Board of Education during the crucial years of desegregation in the city's school system. In 1975, she was appointed by the Alabama State Superintendent of Education to serve on the Accreditation Committee for Elementary.

As a Member of the Alabama congressional delegation, attending the memorial service was directly related to my representational, legislative, and committee responsibilities. Because of this absence I was not present for Roll Call Votes 166 through 169. Had I been present I would have voted as follows:

YES on H.R. 4923—American Manufacturing Competitiveness Act of 2016

YES on H.R. 699—Email Privacy Act

NO on Motion on Ordering the Previous Question on the Rule providing for consideration of H.R. 4498—Helping Angels Lead our Startups Act, and

NO on H. Res. 701—Rule providing for consideration of H.R. 4498—Helping Angels Lead our Startups Act.

#### RECOGNIZING THE RETIREMENT OF DR. JOSEPH E. KUTZ

##### HON. JOHN A. YARMUTH

OF KENTUCKY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 27, 2016

Mr. YARMUTH. Mr. Speaker, I rise today to recognize the career of world-renowned surgeon and Louisville resident, Dr. Joseph E. Kutz, as he retires after 52 years of practice.

For more than a half a century, Dr. Kutz has worked to help heal the lives and limbs of countless patients. Joining forces with a fellow accomplished surgeon, the late Dr. Harold E. Kleinert, in 1964, Dr. Kutz helped found what is now KentuckyOne Health's Kleinert Kutz Hand Care Center.

Through the leadership of Dr. Kutz and his colleagues, Louisville has become the pre-eminent center for hand transplantation in the world and a city at the forefront of new medical technologies and progress. His commitment to our city runs deep, as Dr. Kutz has served as Clinical Professor of Surgery at the University of Louisville's School of Medicine, past director of the Christine M. Kleinert Fellowship in Hand Surgery, past president of both the American Society for Reconstructive Microsurgery and the Greater Louisville Medical Society, and past treasurer for the International Society of Reconstructive Microsurgery.

But in addition to his own practice, he has also worked throughout his career to help prepare more of his fellow surgeons for hand and microsurgery. His work with the Christine M. Kleinert Institute has helped train scores of surgeons and made the Kleinert Institute—and the city of Louisville—the place where many of the biggest and most important breakthroughs in hand surgery have occurred.

Dr. Kutz has spent his life helping others, in and out of the operating room, and he will leave behind a field of medicine that is better off because of his hard work and vision. I thank Dr. Kutz for his devotion to this important medical field, for his passion in transforming the lives of his patients, and for his dedication to our community.

On behalf of the people of Kentucky's Third Congressional District and the City of Louisville, I extend my best wishes to Dr. Kutz as he begins his much-deserved retirement.

#### HONORING HIGH SCHOOL STUDENTS FROM FLORIDA'S PALM BEACHES AND TREASURE COAST FOR THEIR COURAGEOUS DECISION TO ENLIST IN THE U.S. ARMED FORCES

##### HON. PATRICK MURPHY

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 27, 2016

Mr. MURPHY of Florida. Mr. Speaker, I rise today to honor 39 high school seniors from the Treasure Coast and Palm Beaches of Florida for their admirable decision to enlist in the United States Armed Forces following their graduation this year. Of these 39 enlistees, one is an Air Force enlistee, nine are Army enlistees, nine are National Guard enlistees, ten are Marine Corps enlistees, eight are Navy

enlistees, and two are Army Reserve enlistees. These young men and women have demonstrated the utmost patriotism by answering the call of duty. They should know that they have the full support of their communities, the U.S. House of Representatives, and the American people.

With a deep appreciation for each student's service, I ask my colleagues to join me in personally recognizing: Kamarley Campbell, Alexander Harre, Rebecca Wise, Ivy Gagner, Shannon Hunter, John Reid, James Turner, Christopher Labeach, Melissa Martinez, Chelsea Cobb, Nickolas Poskin, Dylan Reinhardt, Nicolas Sangricco, Jacob Crawford, Brett Marshall, Nicolas Key, Luke Spadafora, Lazaro Palenzuela, Zachary Odell, Kenneth McDonald, Nicolas Rivero, Sean Saake, Cameron Manochi, Carlton Epstein, Karina Derouen, Victor Marques, Colton Mullins, Sarah Fairchild, Anthony Brito, Jacob Barber, Corey Boyce, Justo Rolando Alvarez, Logan Griffith, Cristian Nicolls, Cristian Hodges, Alex Mahan, Myles Wilkerson, Chase Krusbe, and Elizabeth Bonhomme. These enlistees will be recognized on May 3, 2016 at the fourth annual Our Community Salutes Enlistee Recognition event in Delray Beach.

Mr. Speaker, we are grateful to each of these fine men and women, and to all who commit to defending our great nation by serving in the United States Armed Forces. It is my honor and privilege to recognize their courage, dedication, and commitment to service here today.

##### HON. SETH MOULTON

OF MASSACHUSETTS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 27, 2016

Mr. MOULTON. Mr. Speaker, I was unavoidably detained and was absent for roll call vote No. 165 on H.R. 4096 that took place on Tuesday, April 26, 2016. Had I been present, I would have voted YEA.

#### TRIBUTE TO DR. ROBERT HADDON

##### HON. KEN CALVERT

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, April 27, 2016

Mr. CALVERT. Mr. Speaker, I rise today to honor and pay tribute to Dr. Robert Haddon who passed away in California on Thursday, April 21, 2016. Dr. Haddon was a renowned authority in nanotechnology research and a professor at the University of California, Riverside, and he will be deeply missed.

Raised in Longford, Tasmania, an island state of Australia, Dr. Haddon obtained his undergraduate degree in chemistry in 1966 at the Melbourne University, Australia. Dr. Haddon then moved to the United States where he would obtain his Ph.D. in Chemistry in 1971 at Pennsylvania State University. After obtaining his Ph.D., Dr. Haddon joined AT&T (Lucent) Bell Laboratories where he worked on materials research as a Distinguished Member of the Technical Staff in the Materials Chemistry Research Department. In 2000, Dr. Haddon joined UC Riverside to launch and

serve as the director of the university's new Center for Nanoscale Science and Engineering.

Dr. Haddon was best known for the prediction and discovery of superconductivity in alkali-metal-doped carbon-60, for his preparation and characterization of a stable crystal of phenalenyl radicals, and for his pioneering research in nanotechnology. His research has earned a number of distinctions in his field, including the James C. McGroddy Prize for New Materials, American Physical Society (2008), and being named Person of the Year by Superconductor Week in 1991. Dr. Haddon was also named a Fellow by the Royal Australian Chemical Institute (1998), American Physical Society (1996), and the American Association for the Advancement of Science (1993).

Dr. Haddon's dedication to his work and improving our understanding of an exciting field of research, are a testament to a legacy that will continue long after his passing. I was proud to call Dr. Haddon my friend and I will miss him. I extend my condolences to Dr. Haddon's family and friends; although Dr. Haddon may be gone, the many incredible contributions he made to nanotechnology will never be forgotten.

#### TRIBUTE TO ERIN WETZEL

#### HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 27, 2016*

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Erin Wetzel for being named one of the IOWA STEM Teachers of the Year by the Iowa Governor's STEM Advisory Council. The award was created in 2014 to celebrate STEM (Science, Technology, Engineering and Mathematics) teachers who are "Innovative in their methods, Outstanding in their passion for education, Worldly in how their students see that STEM is all around them and Academic in engaging students both in and out of the classroom."

Ms. Wetzel, of Southwest Valley School District in Corning, Iowa, teaches design and modeling, automation and robotics, as well as computer classes to seventh and eighth grade students as part of Project Lead the Way. Her love of teaching science and technology shows as she is always encouraging her students to succeed.

Mr. Speaker, Ms. Wetzel is an Iowan who has made her community and the school district she serves very proud. She has worked hard and dedicated herself to making STEM education a priority. It is with great pride that I recognize her today. I ask that my colleagues in the U.S. House of Representatives join me in congratulating Ms. Wetzel for this award and wishing her nothing but continued success in all her future endeavors.

#### CONGRATULATING CARTER COREY NORTON ON RECEIVING THE BOY SCOUTS OF AMERICA'S EAGLE SCOUT RANK

#### HON. BILLY LONG

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 27, 2016*

Mr. LONG. Mr. Speaker, I rise today to congratulate Carter Corey Norton, of Ozark, Missouri, on his recent achievement of the Boy Scouts of America's (BSA) Eagle Scout rank.

The rank of Eagle Scout is the highest rank attainable in the Boy Scouts of America. It is the culmination of many years of hard work and dedication, requiring countless hours of service, training and learning. An extremely exclusive honor, less than two percent of the 112 million scouts since the BSA's founding in 1910 have achieved the Eagle Scout distinction.

Since the age of 6, BSA has been a formative factor in Carter's life. He has been working towards achieving the Eagle Scout rank for most of his life, seeking to actualize the ideals of community service and integrity upheld by the organization. His recently completed "Eagle Project"—an Eagle Scout rank prerequisite—involved constructing several benches for his local church to be used by parishioners and scouting groups for years to come.

Becoming an Eagle Scout requires a significant amount of determination and self-discipline, traits which will no doubt serve Carter well in the future.

Mr. Speaker, by attaining the rank of Eagle Scout, Carter has set himself on the path to achieve future success, and I'm proud to count him among my constituents. His dedication in completing the required benchmarks and community service requirements to reach the Eagle Scout rank is indicative of his ability to accomplish whatever goals he sets his mind to. I wish Carter luck with all his future endeavors, and urge my colleagues to join me in congratulating him on this momentous achievement.

#### HONORING THE COUNTY COLLEGE OF MORRIS

#### HON. RODNEY P. FRELINGHUYSEN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 27, 2016*

Mr. FRELINGHUYSEN. Mr. Speaker, I rise today to honor the County College of Morris (CCM), located in Randolph, New Jersey, for its remarkable record as an institution of higher learning.

Since its foundation in 1968, the County College of Morris has been a model of success, and has represented the standard of the academic excellence associated with the great state of New Jersey. CCM offers more than 50 associate degrees and more than 25 certificate programs, in addition to a wide selection of career and professional programs. The institution has one of the highest graduation and transfer rates among community colleges in New Jersey.

The County College of Morris has a diverse campus and enriching academic and social

environments that have created a culture ripe for personal and academic growth. CCM has become a place for students to reach their true potentials, as well as a community resource for those seeking to further their careers through additional education.

In the classroom, students at the County College of Morris have repeatedly excelled in every department, from the math and sciences, to business, to the liberal arts. Graduates have pursued respected careers, going on to become doctors, engineers, nurses, teachers, and civil servants. CCM's dynamic academic programs have challenged students, and pushed them to produce high-level work.

Students at CCM are not limited to just academic success. With more than 45 active student organizations, nine intercollegiate varsity sports teams, and countless community service opportunities, students have demonstrated excellence outside of the classroom. The County College of Morris is home to two award-winning student publications: its newspaper, The Youngtown Edition and its graphic arts and literary magazine, The Promethean. In the performing arts, students have the opportunity to participate in high-quality musical theater and drama productions, or can join CCM's acclaimed Dance Theatre troupe.

Under the exceptional leadership and vision of its president for 30 years, Dr. Edward J. Yaw, CCM has continued to modernize and has become one of the finer academic institutions in New Jersey. The college ensures that its students have all of the necessary resources to develop the skills crucial for success in the world beyond the classroom.

Since its founding, CCM has been a driving force in the lives of thousands of successful students who have passed through its halls. Graduates over the years continue to serve as leaders and role models in their communities all over the country. Thanks to the work of its renowned faculty and staff, like Dr. Yaw, CCM will continue to offer a first class education to those who seek to pursue higher learning.

Mr. Speaker, I ask you and my colleagues to join me in honoring and recognizing the achievements of the County College of Morris and those who devote themselves to its continuing success as an institution of higher learning.

#### TRIBUTE TO MAXINE VOGEL

#### HON. DAVID YOUNG

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, April 27, 2016*

Mr. YOUNG of Iowa. Mr. Speaker, I rise today to recognize and congratulate Ms. Maxine Vogel on the celebration of her 100th birthday.

Our world has changed a great deal during the course of Maxine's life. Since her birth, we have revolutionized air travel and walked on the moon. We have invented the television, cellular phones and the internet. We have fought in wars overseas, seen the rise and fall of Soviet communism and witnessed the birth of new democracies. Maxine has lived through seventeen United States Presidents and twenty-four Governors of Iowa. In her lifetime, the population of the United States has more than tripled.

Mr. Speaker, it is an honor to represent Maxine in the United States Congress and it
